Statutes of the Nordic Swimming Federation

1

The members of the Nordic Swimming Federation (NSF) are the Danish Swimming Federation (DEN), the Estonian Swimming Federation (EST), the Faroe Islands Aquatics Federation (FRO), the Finnish Swimming Federation (FIN), the Lithuanian Swimming Federation (LTU), the Norwegian Swimming Federation (NOR), the Icelandic Swimming Association (ISL), Sweden Aquatics (SWE) and the Swimming Federation of Latvia (LAT).

NSF may approve associate members, which have right to participate in NSF competitions as an equal member. They also have right to speak in NSF congress and board meetings without a vote.

2

The Nordic Swimming Federation is a collaborative body between the member federations. The main goal of the collaboration in the Nordic Swimming Federation is strengthening swimming as a sport in the Nordic region by planning and organizing Nordic Championships and competitions in different disciplines. Additional goals are 1) to develop learn to swim –programmes, swimming teaching and baby swimming in the Nordic countries by maintaining Nordic Educational Group activities (rule section H) and 2) that members would have mutual understanding in international questions by sharing information and opinions in meetings or by email.

3

Members and associate members shall be members of World Aquatics (AQUA) and LEN.

4

The Nordic Swimming Federation determines the conditions for Nordic championship competitions and comparable competitions that are designated as Nordic.

5

The bodies of the federation are the congress and the federation board.

Congress is the federation's highest body. Every member has one vote at meetings of the congress. Who exercises this voting right is advised when congress opens. Associated members do not have the right to vote. A simple majority is required for a decision to be valid. No member country may transfer its voting right to the representative of another member country.

The board consists of presidents from each of the member countries. Substitutes may be appointed.

Congress and board meetings are conducted in English.

6

The work of the board is chaired by the Chairperson. The Chairperson and secretariat are decided by the Congress every two years.

7

7 Congress decides whether to collect a membership fee or not. If it decides to collect a membership fee the purpose and plan for it needs to be decided also. The fee may be different for members and associated members. This fee falls due for payment 30 days from the Congress where it was approved and it needs to be paid to the account agreed in the Congress.

8

The accounts, if applicable shall be presented for the approval of congress by calendar year.

9

An ordinary congress is held each year preferably in conjunction with some other meeting or event. Place and the time of the Congress shall be decided by the board at least one month prior to the congress. The agenda and all proposals shall be issued no later than 14 days before the congress. Proposals for discussion at congress shall be received by the secretariat no later than 21 days before the congress.

The agenda shall include the following points if applicable:

1. The Chairperson report of activities and the financial report.
2. Determination of the dates of all Nordic championships for the following calendar year and approval of any other events. Congress decides on the locations of championships on the basis of proposals from the respective countries, and in urgent cases may also decide on other matters falling under this item.
3. Congress decides on the composition of the Nordic Education Group, as well as other working groups for the development of swimming as a sport in the Nordic region.
4. Decision on the membership fee.
5. Discussion of proposals submitted.
6. Decision of Chairperson and secretariat.

10

An extraordinary congress meets if the board so decides or if three of the member countries so request. Such a request shall be submitted to the secretariat with a proposed agenda. The chairperson shall then call the extraordinary congress by issuing the agenda no later than thirty days after the representation has been received and congress shall meet no later than 30 days after the notification has been sent.

11

A secretariat shall exist for NSF's administration, such as correspondence, minutes of meetings, accounts, etc. The task of maintaining the secretariat shall be decided by the congress every two years.

12

The federation's activities between congresses are managed by the federation board. The work of the federation is led by the chairperson. The federation board is deemed to have a quorum when at least half of the representatives of the member countries are present or support the proposal in question by letter. A simple majority is required for a decision. Each member country's board member has one vote.

13

The board shall meet at least once per year (cf. statute 4). Further meetings occur as needed. Board meetings shall be called by the chairperson and shall occur if at least three board members so desire. The invitation to the meeting shall be sent at least seven (7) days before the meeting.

14

The board shall, in addition to what is mentioned in statute 4:

- a) implement the decisions of congress
- b) prepare the items to be discussed by congress
- c) send an annual report and financial statements to the member federations
- d) handle all current business
- e) decide on the proposals put forward by the respective federations. Decisions on which proposals shall be put forward are decided with a simple majority.
- f) discuss on selected items on AQUA's and LEN's congress agendas
- g) decide the time and place for the next congress

15

The bureau and committee members at LEN and AQUA shall give written reports to be shared between members and associate members. They shall take into account the opinion of the Members and Associate Members both for items that are on the agenda and also on matters that the countries wish to bring up for discussion. Bureau and committee members shall put forward in their respective bodies also the views of the Nordic Swimming Federation or the respective federations.

16

Each federation pays its own expenses for travel and accommodation for its representatives at congress or board meetings. Meeting fees shall be shared between participants if not decided otherwise.

17

Specific provisions have been drawn up for championships. Competitors from member countries and associate members are entitled to participate in Nordic championships. All member federations of AQUA may participate in open competitions.

18

Amendments to these statutes may only be made by congress and require a two-thirds majority.

A - General rules and regulations

1

According to the rules of the Nordic Swimming Federation, all member countries and associate members are entitled to participate in the Nordic Championships.

2

The championships shall be organised by one of the member countries, in accordance with the rotation determined by NSF congress. Member countries that do not wish to organise the championships shall notify the NSF board of this no later than one year before the championships. NSF congress determines sanctions in the event of any breach.

3

Dates of the championships are determined by NSF congress or the secretary general on the basis of proposals from the organisers.

4

The organising country (federation or local organiser) should send invitations to compete to participating countries minimum of three months before the competitions start. The invitation shall be sent to NSF's general secretary.

5

Registrations should be made two months before each competition and the final registrations must be in the possession of the organisers no later than 10 days before the first day of competition. At the technical meetings for competitions, changes can be made if the participating countries agree on this. The NSF board determines sanctions in the event of any breach.

6

No entry fees are collected, with the possible exception of all Masters and Open Water Championships. A binding deposit charge may be made for water polo; this shall be adjusted in relation to documented extra expenses.

7

In swimming, diving, synchronised swimming and Open Water Swimming, NSF's championship medals are awarded to swimmers who finish first, second and third in each age group and discipline, and the same for teams in team events. The organiser is responsible for the cost of these. In water polo and masters, prizes are awarded in relation to the respective competition conditions.

8

It is the organiser's responsibility to find the most appropriate accommodation (rooms and food) for participants.

9

In special cases, the NSF board may make exceptions to these competition rules.

10

AQUA's competition regulations shall be observed in all competitions under the NSF.

11

In order to be able to call a competition a Nordic Championship, participants from at least three Nordic countries must take part.

12

Competition report must be written from each NSF championships. The report shall be sent to NSF's general secretary within two weeks of the championships by organising federation.

13

The competition between countries is the same for all disciplines and the points are calculated according to the following table:

Individual + all diving events		Swimming relays	
Position /Points		Position /Points	
1	10	1	20
2	8	2	16
3	7	3	14
4	6	4	12
5	5	5	10
6	4	6	8
7	3	7	6
8	2	8	4
9	1	9	2

14

Every member country appoints a NSF contact person for swimming, diving, water polo, synchronized swimming, open water and masters. The contact information will be given to NSF's general secretary.

15

All Nordic meetings should be held in conjunction with the annual championships.

B - Swimming

1. Nordic Championships

1.1 Nordic championships should be held every year in December.
Championships are open to NSF member and NSF associate member countries. Other countries may participate on an invitational basis.

1.2 Championships are held over a 25-meter course. Championships should preferably be held in an 8-lane pool.

1.3 Competitors in the championships shall be:

Junior events:

- boys who reach the age of 13 to 17 during the calendar year
- girls who reach the age of 13 to 17 during the calendar year

Senior events:

- boys 18 years and older during the calendar year
- girls 18 years and older during the calendar year

Para events:

Championships will be swum under the current World Para Swimming (WPS) Rules and regulations.
The championships shall be sanctioned by World Para Swimming.

Sport classes	S1-10 (physically impaired swimmers)	No age limitation
	S11-13 (visually impaired swimmers)	No age limitation
	S14 (intellectually impaired swimmers)	No age limitation

Swimmers needs to be nationally classified before the start of the competition.

1.4 Each participating country may enter an unlimited number of individual swimmers in individual events and one team in team events (one in senior events, one in junior events and one in para events). A maximum of two swimmers per age group (junior and senior) and country may swim the finals. Also, a maximum of two swimmers per country may swim the finals in the Para events.

Late entries are allowed until three days before the start of the first session. Changes are allowed until the end of the team managers meeting the day before the competition starts. Withdrawals can be made until one hour before the relevant preliminary session.

All relays must be entered with an entry time (sum of four individual times and no withdraw from relay takeovers)

1.5 The disciplines in the championships are swum in heats and a final. The age groups swim joint heats in each discipline but separate finals. See order of event and start time of each session under "Order of events".

- 800 and 1,500 m freestyle are swum as combined timed finals seeded by entry time regardless of age and country. 800m/1500 meters the slowest heats will be swum in the morning session and the fastest in the evening. Seeding should be made so there is a full heat in the final's session and so that heats in the preliminary session are seeded according to AQUA rules regarding seeding of preliminary heats. Medals will be awarded in both Junior and Senior age groups.
- Relays in 4 x 100 freestyle, 4 x 200 freestyle and 4 x 100 medley is conducted in two groups; junior and senior. However junior swimmers can take part in senior relays, but senior swimmers cannot take part in junior relays.
Each swimmer can only swim in one relay team in each discipline (junior team or senior team).
Even though a junior swimmer is included in a senior relay, the points earned by the senior relay will still count in the team competition for senior.
- 50m disciplines are swum as open.

- The mixed 8x50m relay is swum so that all swimmers can be juniors but with a maximum 50% from the senior team.
- The relay events are swum only in the finals session.
- Events for para-swimmers are marked with classes that are eligible to enter.
- There will potentially be heats in the morning and finals in the evening for 8 best multi-class swimmers:
 - If there are 3 or less swimmers in the event, the event will be swum as a direct final in the morning.
 - If there are 4-8 swimmers in the event, the event will be swum as a direct final in the evening.
 - When there are 9 or more swimmers in the event, the event will be swum as heats in the morning and a final for 8 swimmers in the evening.

Finalists and medallists will be determined by multi-class points (World Para Swimming point system).

1.6 The competitions are swum from Friday to Sunday with heats in the morning and finals in the afternoon. Warm-up 1.5 hours before each session. Withdrawals can be made 30 min after each morning session.

1.7 The winner of the junior final is the Nordic Junior Champion, the winner of the para final by WPS points is the Nordic Para Champion and the winner of the senior final is the Nordic Champion. NSF logo medals are awarded to swimmers who finish first, second and third in each age group and discipline, and the same for teams in team events.

A separate set of medals (not NSF logo medals) will be awarded in events where swimmers representing invitational countries participate.

Both genders are divided into five-year age bands and will cover the top age required by (25-29 years, 30-34 years, 35-39 years etc.)

1.4 Each participating country may enter an unlimited number of individual swimmers in all events.

Swimmers participating in the Nordic championships shall represent their country and must be entered through their national federation.

The Championships may be held as Open Championships, but only swimmers representing national federations as part of the NSF can be awarded Nordic Championship titles.

Enrolment and payment shall take place on the event website.

A participation fee can be applied by local organisers but it cannot exceed EUR 30 per race, per swimmer.

1.5 All swimmers shall have their competitor number written visibly in waterproof ink on the top of their back or their arms, and on their swimming cap. If swimming in a wetsuit, the competitor number shall be written on the hand, and on the swimming cap.

Points of difference to AQUA's rules include, in particular:

- Wetsuits and swim caps may be worn in temperatures of less than 20 °C for safety reasons.
- Wetsuits and swim caps must be worn in temperatures of less than 18 °C for safety reasons.
- Local adaptations may be made with regards to the start, finish and feeding platforms.
 - If the start and/or finish take place on land, dispensation shall be given to the rule of not being allowed to walk on the bottom during the start and/or finish.
- The water should have a minimum temperature of 15 °C.
- Masters competition must be swum as a separate race from the other Nordic Championship races.

- Masters competition can be a part of a mass participation event.
- Masters swimmers should always wear a wetsuit for safety reasons.

- 1.6 The championships are conducted over two days of competition so that only one event for junior and senior swimmers are conducted on each day.

The host country can decide to conduct the championships in different locations and on different dates, however the events for junior and senior swimmers must be held on two days after each other on the same competition site.

The competition site should be available for training the day before the first event.

- 1.7 The winner of the junior competition is the Nordic Open Water Junior Champion, the winner of the senior competition is the Nordic Open Water Champion and the winner of each age group in the masters competition is the Nordic Open Water Masters Champion. NSF logo medals are awarded to swimmers who finish first, second and third in each age group and discipline.
- 1.8 Organisers can decide the order of events taking section G, pkt. 1.6 into account.
- 1.9 No team competition is conducted.

H - Nordic Education Group

1. Objective

The objective is to develop learn to swim programmes, swimming teaching and baby swimming in the Nordic countries and to arrange a Nordic conference on swimming teaching and a Nordic conference on baby swimming every other year.

The aims of the conferences are:

- to provide new knowledge and add expertise
- to disseminate information in Nordic countries and in Europe
- to help to develop learn to swim –programmes, swimming teaching and baby swimming in swimming clubs

2. Membership and organisation

Each NSF member country appoints a representative to the Nordic Education Group (NEG) working group. The appointed persons should consist of persons from the federations who work in the field of learn to swim - programmes. The chairman always represents the country organizing the next conference.

NSF's member countries appoint a contact person for baby swimming in each country.

The role of the NEG-group is to make suggestions for the topics for the conferences for the organizing country. The cooperation of the NEG-group and the planning of the conferences shall be made via e-mail or other electronic tools. If the group so decides it can arrange a meeting. Each country pays for its own NEG-group expenses for the meetings and conference. Reports from the meetings are sent to the NSF general secretary.

3. Administration

The host country for the next conference on swimming teaching or baby swimming is responsible for the administration and conduct of the conference. NSF's president country and the NEG are responsible for the administration of the NEG.

4. Finance

The organising country is responsible for the finances of the conference.
